Region News & Upcoming Events:

- Are you retiring? As you think about this milestone in your lives, think about who will be taking your place in the special education classroom that you vacate. Wouldn't it be great to welcome a new special educator with a membership to CARS+? If you are interested in being a part of our 'Pay It Forward' program, contact me and we will set you up! It is as easy as purchasing a membership for a new teacher to get their first (or second or third) year off to a good start.
 - As the school year comes to a close, many of you have been recognized for the wonderful job you have done and do each and every day. CARS+ wants to know about your recognition. Please contact me and let me know how you were recognized. We need to toot our own horns.
 - I know it is far away, but keep in mind that our next Convention will be in beautiful San Diego on February 18, 19 and 20. A benefit of your membership is a reduced convention cost and terrific training. Spread the word.
 - Let me know, as always if you have any questions!
