*Day of the Special Educator*

It is a pleasure to send my greetings to those observing “Day of the Special Educator.”

The education of our citizens is one of my highest priorities, and I salute you for enlightening the minds of students with special needs. Your support of the vision of my mother-in-law, Eunice Kennedy Shriver, is truly inspirational. Through your tireless efforts, you have ensured that every child has the opportunity to learn regardless of his or her conditions in life. From training teachers to supporting crucial legislation and more, you have had a positive impact in the lives of many and given others a new hope. Thank you for your hard work and commitment to enhancing the potential of children in our Golden State and beyond.

Please accept my best wishes for a wonderful day and future success.

Sincerely,
