

Welcome!! The purpose of this session is to share some of the ways I have used GOOGLE Apps to automate some of the daunting tasks special educators often find themselves doing on a daily basis. Each activity and app we explore today may potentially help make your day go by a lot easier. As we complete each activity consider the potential implications for daily practice.

- ❑ First things first...as you enter please take a moment complete the following quiz!! visit <http://goo.gl/forms/hyzwReH5yt> or

created by
QR Generator
<http://www.qr-code-generator.com/#>

- ❑ Check the email you included on the quiz
- ❑ Share how you did and do you see yourself using this in the future.
- ❑ View [How to Video](#) FLUBAROO
- ❑ Formative Assessment [DOK](#) BLOOMs vs Vygotsky
- ❑ Individualized Transition Plan Questionnaire
 - ❑ Slideshow
 - ❑ HIS ITP Form <http://goo.gl/forms/TiYcjGGF0D>

- ❑ HERS ITP Form <http://goo.gl/forms/QlObU8q10o>

- ❑ Try it on
- ❑ Share how you did and do you see yourself using this in the future.

SHARED FOLDERS...whenever possible make a copy of things first before changing
